This session applies to organizations in Bucks, Chester, Delaware, Montgomery, or Philadelphia County.

Learning Objectives:

- Describe the current condition of maternal and neonatal care in Southeastern PA related to continuum of care needs
- Discuss regional resources and quality improvement opportunities for healthcare teams to engage with community organizations and agencies

Agenda:

1. **Introduction: Regional Needs Related to NAS and Pregnancy-Associated Deaths, and Session Objectives** – Robert Ferguson, MPH, Chief Policy Officer, Jewish Healthcare Foundation (JHF)

   - When thinking about the physical, mental, and social health needs of the pregnant/postpartum individuals with substance use you care for, what goals is your PA PQC Healthcare Team prioritizing for the April through March Implementation Period?
   - To inform your work on these goals, what would you like to know from the community partners?

3. **Panel: Spotlight on Southeast Community Activities** – Facilitated by Pauline Taylor, CQIA
   - Helene Coakley, BSN, RN, Substance Use Navigator, Holy Redeemer
   - Christina Rivera, Director of Specialized Home Visiting, Maternity Care Coalition
   - Korah M. Lovelace, Healthy Babies Coordinator Maternity Care Coalition

4. **Discussion: Community Services and Supports** – Co-facilitated by Robert Ferguson, MPH and Jennifer Condel, SCT(ASCP)MT, Lean Healthcare Manager, Jewish Healthcare Foundation
   - What guidance do you have for the PA PQC Healthcare Teams?
   - Based on the needs of pregnant/postpartum individuals, what processes have worked well to engage individuals in your services?

5. **Wrap-up & Next Steps** – Pauline Taylor, CQIA
