

PA Maternal Health Symposium
May 19-May 20, 2026
Blair County Convention Center, Altoona, PA

May 19, 2026

Attendees include: PA Perinatal Quality Collaborative (PA PQC), along with community and statewide maternal health stakeholders

Programming: 2:30 – 5:30 p.m.

- **Social Determinants of Health (SDOH) Keynote:** Learn about approaches for SDOH screening, referral expectations, and building localized referral relationships
- **SDOH Screening and Referral Workshop:** Discuss PA PQC healthcare and community partner experiences, maternal and neonatal domains of SDOH screening, opportunities for improvement, and develop action plans

Networking Reception and PA PQC Designations: 5:30 – 6:30 p.m.

Recognize PA PQC healthcare teams for their quality improvement work on the Maternal Sepsis AIM Patient Safety Bundle

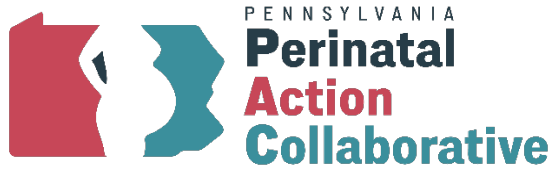

May 20, 2026

Attendees include: PA Perinatal Quality Collaborative (PQC), PA Perinatal Action Collaborative (PAC), Maternal Health Grant Program Grantees, community and state-wide maternal health stakeholders

Registration and Breakfast: 7:30 – 8:00 a.m.*

Programming: 8:00 a.m. – 3:00 p.m.* (note earlier start and end time for day)

- **Overview of Programs:** PA Perinatal Quality Collaborative (PQC), Perinatal Action Collaborative (PAC), and the Maternal Health Grant Program
- **Panel: Implementing Maternal Health Innovations:** Hear from recipients of state-funded innovation grants on their unique projects to improve maternal health and key takeaways for others working in this space.
- **Understanding the Fourth Trimester Through Lived Experience:** Mothers share their fourth trimester experiences as we learn how to improve care and services in the postpartum period.
- **Fourth Trimester: Postpartum Discharge Transition Keynote Speaker:** Learn about postpartum discharge considerations to build support networks in the fourth trimester
- **Regional Breakouts:** Network and collaborate with maternal and family health partners across PA regions to gain insight into current initiatives and resources

- **Poster Session:** Explore and engage with PA PQC healthcare teams about their quality improvement work and Maternal Health Grantees about their innovations
- **Knowledge Cafés:** Engage in conversation around your work and how it supports the goals of [Pennsylvania's Maternal Health Strategic Action Plan](#).
