

EAT SLEEP CONSOLE: INVOLVING PARENTS' VOICE

PROBLEM STATEMENT

Since the ESC model was initiated, The Family Place is interested in gathering feedback from parents.

KEY INTERVENTIONS

1. Developing the QR survey.
2. Meeting with parents to educate about the survey prior to discharge.
3. Provide parents with QR code prior to discharge.
4. Follow up regarding completion of the survey.

MEASURE/RESULTS

- 6 Total ESC Parents
- 100% of Parents received the ESC Survey prior to discharge.
- 2 ESC Parents completed survey.

FOCUS AREA

To create a QR survey tool for parents to complete a short evaluation of the program.

STATUS

ESC Parent Survey Implemented April 2024

ON THIS TOPIC, OUR TEAM WOULD MOST LIKE TO LEARN FROM OUR PEERS:

- How to ensure parents complete the survey
- Methods other hospitals have used to get parents to complete the survey
